

# Reclaimed oak doors

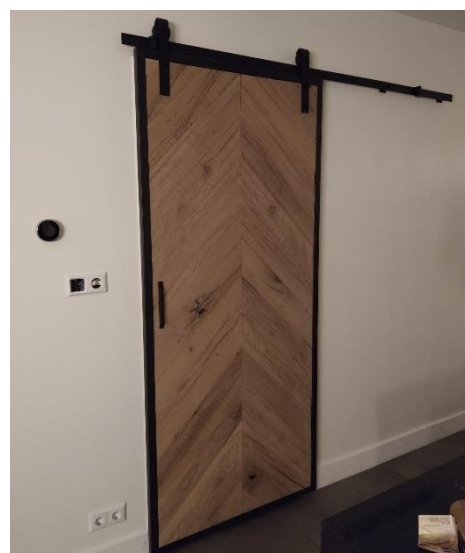

An exclusive oak door is bound to catch the eye when entering; it is an invitation to discover what is behind that door. Historisch Hout produces exclusive veneer doors made from cut reclaimed oaks. We offer them in two different looks: 'outsides' and 'insies'. 'Outsides' have a surface with the uneven texture of the original exterior of a recycled oak beam. The surfaces of 'insies' are the smooth, sanded and/or brushed 'inside' of the beam.
