

Barnwood sheeting

In addition to our normal [oak](#) and [pine](#) barnwood planks we now also sell barnwood sheeting. We stock the sheeting in 2 colours: in shades of grey and brown. The planks are sourced from Austria, from abandoned field barns in the high mountains of the Alps. This sheet material has been weathered by nature in the extreme weather conditions in the high mountain ranges! No two furniture planks are identical.

Processing advice: because we use relatively thick old oak veneers, we always advise to apply a spray rib or a milled profile on the backs. This is to prevent warping.
